

**Anhang 13:** Übersicht der vorgeschlagene Monitoringflächen

| TK 25   | TK 10   | pSCI-Teilgebiet | LRT-/Habitat-ID | LRT/Art              |
|---|---------|-----------------|-----------------|----------------------|
| Minimalvariante ( <i>Maculinea nausithous</i> ) |         |                 |                 |                      |
| 4848  | 4848-NW | 1               | 30002           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30006           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30007           | Maculinea nausithous |
| Optimalvariante ( <i>Maculinea nausithous</i> ) |         |                 |                 |                      |
| 4848  | 4848-NW | 1               | 30001           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30002           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30003           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30004           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30005           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 30006           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30007           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30008           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30009           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30010           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30011           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30012           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 30013           | Maculinea nausithous |
| 4848  | 4848-NW | (1)             | 30016           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40001           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40002           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40003           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40004           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40005           | Maculinea nausithous |
| 4848  | 4848-NW | 1               | 40006           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 40007           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 40008           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 40009           | Maculinea nausithous |
| 4848  | 4848-NW | 2               | 40010           | Maculinea nausithous |
| 4848  | 4848-NW | (2)             | 40015           | Maculinea nausithous |
| Lebensraumtyp 6510 (Magere Flachland-Mähwiesen) |         |                 |                 |                      |
| 4848  | 4848-NW | 1               | 10004           | 6510                 |
| 4848  | 4848-NW | 1               | 10006           | 6510                 |
| 4848  | 4848-NW | 1               | 10010           | 6510                 |
| 4848  | 4848-NW | 2               | 20007           | 6510                 |
